DISCOUNT ONLY – NOT INSURANCE. This program is not insurance coverage. Discounts are available exclusively through participating pharmacies. Discounts will vary depending on the prescription and the pharmacy chosen. This program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Cannot be used in conjunction with insurance. Cannot be used in conjunction with Medicare, Medicaid, TRICARE or any other government program.

Talk-track sheet

For agents sharing RxGo with their own clients. Say the disclosure out loud, then repeat it in writing.

20 seconds (any client)

"If you ever pay cash for a prescription, here's a free app that shows you the price at participating pharmacies before you fill. It's a discount only, not insurance. Savings vary, you pay the discounted price, and it can't be used with insurance or government programs. It's free and separate from anything I do for you."

15 seconds (drivers and owner-operators)

"You check fuel prices before you fill up. This free app lets you check a prescription price at pharmacies on your route. Discount only, not insurance; savings vary and you pay the discounted price."

If a client asks…

What is this exactly?	A free discount app. It's a discount only, not insurance. You pay the discounted price at the pharmacy.
Can I use it with my benefits?	No. It's for prescriptions you pay for yourself; it can't be combined with insurance or government programs.
How much will I save?	It varies by drug and pharmacy. Check the price in the app; I can't promise a number.
What do you get?	RxGo may pay me a small amount when the card is used. It costs you nothing and it's separate from anything I sell.
What about my data?	RxGo says it never sells your personal health data: rxgo.com/privacy-promise.
