DISCOUNT ONLY – NOT INSURANCE. This program is not insurance coverage. Discounts are available exclusively through participating pharmacies. Discounts will vary depending on the prescription and the pharmacy chosen. This program does not make payments directly to pharmacies. Members are required to pay for all prescription purchases. Cannot be used in conjunction with insurance. Cannot be used in conjunction with Medicare, Medicaid, TRICARE or any other government program.

Check the price before you fill it.

If you pay cash for a prescription, the price can differ from one pharmacy to the next. RxGo is a free discount app: no account, no membership fee, no personal information needed.

01

Get the free app

Scan the code below or go to rxgo.com/1480/app.

02

Search and compare

Look up your prescription and compare participating pharmacies near you or on your route.

03

Show it at the counter

Show the coupon in the app. Ask them to keep it on file for refills.

Good to know

- Savings vary by drug and pharmacy. You pay the discounted price.
- Prices change: check again before each refill.
- For prescriptions you pay for yourself. It can't be combined with insurance or government programs.
- RxGo says it never sells your personal health data (rxgo.com/privacy-promise).
